HELP BUILD THE PLAYGROUND

Construction from June 2-7th in Roosevelt Park

Go to WWW.OCONOMOWOCPLAYGROUND.ORG
for more information about our project and events

OUR MISSION... is to bring our community together and build a unique playground where children of every ability can play together.

MAKING THE UNIMAGINABLE POSSIBLE... for some children, delighting in the joys of a conventional playground is unimaginable. When a child uses a wheelchair or has difficulty in walking, climbing a vertical ladder to experience the thrill of a slide or traversing gravel on the way to conquering the monkey bars, makes these seemingly simple childhood freedoms unreachable. Imagination Station playground removes these obstacles, allowing children to learn, grow, and play together side-by-side.

With your help, this dream can be a reality!
